You were unable to complete VAT refund formalities in France

I was unable to complete the VAT refund formalities before leaving France.

Am I still entitled to a refund?
Yes, if you were prevented from completing the formalities for reasons attributable to the organisation of the Customs service (barcode readers unavailable for technical reasons and no officers present on-site).

To obtain a refund you must:
Take the form and the goods purchased (or a receipt for payment of taxes and duties for imports into your country) to the French embassy or consulate in your country of residence.

In this case, you can have Box A of your form stamped or be issued with a certificate attesting to presentation of the goods mentioned in your document.

Send your request for regularisation to the Customs service located at the French point of departure within six months of the date of purchase. You must enclose with your request:

- a copy of an identity document proving that you are a non-EU resident;
- a copy of your travel ticket;
- the original or scans of the VAT refund forms;
- the receipt provided by Customs in your country of residence, or a certificate/original export sales form stamped by the French embassy or consulate;
- a letter explaining why you were unable to complete the VAT refund formalities before leaving France or the EU. This letter must also include the date and time you left France.

What should I do if I leave the European Union via a Member State other than France?
You must ask the relevant authorities in this Member State to stamp your export sales forms and send them back to the French retailer who sold you the goods.

1. In exceptional circumstances which must be explained in the request for regularisation.
VAT refund process in France

WHEN MAKING YOUR PURCHASE

How do I prove I am a non-EU resident?

- **NON-EU NATIONALS**: valid passport.
- **EU NATIONALS RESIDENT IN A THIRD COUNTRY**: valid passport or its scanned version authenticated by the VAT refund operator and a valid official document (consular registration card, Green Card, or any other resident card from a non-EU state, certificate of registration in the register of French citizens abroad).

What document will the retailer give me?

Once you have made your purchase, the retailer will inform you of the procedure for obtaining a VAT refund and will provide you with an export sales form or tax exemption form.

WHEN LEAVING FRANCE

When should I have my export sales forms stamped?

- Before the end of the third month following the month of purchase.
- When leaving the European Union from France.
- Before checking-in your luggage if you are leaving by aeroplane.

How do I get my export sales forms stamped?

You can have your forms for goods purchased in France stamped at any PABLO barcode reader. Just follow the instructions. If you have supporting documents for exports from other Member States, you should go to the Customs counter to have them stamped.

Where are the PABLO barcode readers located?

PABLO barcode readers are generally located near to Customs offices in international airports, ports and at border crossings.

How the pablo barcode reader works

1. **SELECT YOUR LANGUAGE**
   Select one of the nine languages proposed on the touch screen.

2. **SCAN THE BAR CODE**
   Scan the bar code on your paper form or smartphone using the reader.

3. **OBTAIN CUSTOMS APPROVAL**
   A green screen will appear with the message « OK, form valid »: this electronic approval is exactly the same as a Customs stamp. The approval process is complete. If a red screen appears, follow the instructions on screen.

Once your form has been scanned and approved, you can obtain a refund directly at a reimbursement window if there is one located at the exit point you are leaving from. Alternatively, you can opt for a refund via bank transfer. You should inform the retailer of your preferred option when purchasing the goods.

What should I do if there is no PABLO barcode reader at the exit point I am leaving from?

Go to the Customs counter at the exit point.

CUSTOMS MAY AT ANY TIME CHECK THAT YOU MEET THE VAT REFUND CONDITIONS. IF YOU ARE SUBJECT TO A CUSTOMS INSPECTION, YOU MUST PROVIDE:

- ID confirming that you are a non-EU resident;
- Your travel ticket;
- The goods eligible for a VAT refund, which you must carry with you.

FAILURE TO PRESENT THE GOODS TO CUSTOMS WILL RESULT IN YOUR EXPORT SALES FORM BEING CANCELLED AND A POSSIBLE FINE.

Dear Traveller, you are a non-EU resident, 16 or over and have been in France for less than 6 months.

Under certain conditions, you can obtain a refund of the VAT paid on the goods purchased during your stay in France.
